SIR,

B

With reference to your letter No: I.C.3152 Geol.63-24-2 dated 10-11-1924 re: the supply of information regarding the export of minerals by rail to the Director, Geological Department, I have the honour to state for information of Government that the form in which these statistics are collected was sent to the Director, Geological Department in April last on his applying to me for the same. To suit his requirements he suggested a new form for the collection of these statistics. Accordingly, I corresponded with the Madras and Southern Maharatta Railway Company, Limited and they have agreed to collect these statistics in detail with effect from 1-7-1924. The figures for the quarter ending 30-9-1924 are expected next month. As soon as they are received here, I shall have the same sent to the Director, Geological Department.

I have the honour to be,
Sir,
Your most obedient servant,
P. G. D'Souza
DIRECTOR.
